### Who & What:

It's the 6th Annual Fair Haven Art and Craft Market by Kacy's Krew and we are expecting 45+ unique and interesting vendors. The majority will be handmade items. We will accept a limited number of direct sale vendors with unique products. If you are a new vendor, we will have a jury review before acceptance into the show to ensure a variety of items for our shoppers. If you are a returning vendor from last year, you have automatic acceptance into the show if you choose to participate again and we thank you for your continued support of Fair Haven!

### Why:

To raise money and awareness for Fair Haven in memory of Kacy Trick Meyer. Fair Haven is a faith-based organization that provides a home-away-from-home for seriously-ill patients traveling to Indianapolis for treatment. Fair Haven allows these patients and their families to stay together in a time of great difficulty.

During 2008, Kacy benefited from Fair Haven by staying in one of the apartments during 6 weeks of daily radiation treatment. It was a quiet refuge for her during that time. Kacy lost her battle with colon cancer in July 2012 at the age of 42. This event is a way for her family and friends, to honor and remember her and her giving spirit. This event is a true blessing to all who miss Kacy dearly and to Fair Haven and we are grateful for your participation.

### Promotion:

All vendors will be promoted on our Kacy's Krew Facebook page and within the event on facebook as well. We will advertise the event on local community pages, church newsletter, the Fair Haven Facebook page and website as well as flyers that will be distributed. In the past, we have been on WIBC radio and RTV6 to promote the event as well. We will provide you with a flyer to promote within your network and ask that you interact with our Facebook page by liking posts and sharing with your followers. This helps us all!

### Donations:

We welcome additional donations – the majority of our vendors choose to also give a percentage of sales from the day to Fair Haven or choose to donate the sales of a particular item for the day. Thank you in advance for considering this additional support for seriously-ill patients staying at Fair Haven.
