COMPASSIONATE SUPPORT
FOR IU HEALTH PATIENTS & FAMILIES FAR FROM HOME

Critically-ill patients travel from across the state and beyond for specialized care at at IU Health's downtown hospitals. Fair Haven serves these families by providing them with a home-away-from-home. Families in need are referred to Fair Haven by hospital social workers. Having a convenient and comfortable place to stay lifts a tremendous burden for these families and makes it possible for them to be together. You can learn more and get involved during the month of September as we celebrate Hoosier Hospitality Month!
